1. Information on this map was provided by Masayuki "Mac" Yonamine, a former resident of this community. His help in making this map possible is gratefully acknowledged.
 2. Lower Mahinahina Camp was part of the Pioneer Mill sugar cane community. Most if not all of the men in the camp formed a "konpan" group to irrigate and care for many acres of sugar cane in a profit sharing co-op arrangement with PMCo.
 3. Pedro Lesponia served like a camp boss. In the early years, his house had the only refrigerator and telephone and movies were shown on his premises.
 4. This camp was abandoned in July 1953.
